RE: New Application in the U.S. corresponding to the
German Application 10044934.4-34 dated 9/12/2000 -
Hans-Jörg Mathoney

Ladies and Gentlemen:

Enclosed please find a copy of a U.S. Application prepared
by us on the basis of the above-mentioned German
Application as well as its Assignment to Robert Bosch GmbH.
We will file this Application with the Patent Office by the
due date.

Please have the inventor examine and complete these
Application documents. Possible changes may be made
following the submission of the Application by Preliminary
Amendment.

The copy is for your files. Please return the completed
Declaration and the Assignment to us.

Sincerely,

KENYON & KENYON
